

## Stonehaven & District Men's Shed

### The Objective

*Our Vision is to enhance the mental and physical health of Men in our Community who have time to spare and wish to pass their time together constructively and enjoyably, learning new skills, or passing on their own skills and, in the process, contributing to the general wellbeing of the community.*

### The Plan

To provide a place where men can engage in activities such as woodworking, metalworking, other crafts or hobbies, learn new skills in computing, art or cooking. We have a social area where Shedders can relax or play competitive games or just enjoy the company of others.

It is **FREE** to join and **FREE** to attend. We raise operating funds from the sale of hobby activities, community events, and selling recycled goods

### Our Social Area

One third of the Shed is equipped to give a wide range of ways to the enjoy

company of others and relax or play Pool or other games

or learn new skills such as Art, computing, cooking, etc.

Horticulture is also catered for in the

Polytunnel at Mackie Academy
