

A Very Generous Donation

In the final run up to Christmas the Shed was visited by John and Sandra Ure of Ferrier Pumps, Aberdeen. They had kindly selected our Shed to be the recipient of their Christmas Charity Donation cheque of £500.00.

Handing Over The Cheque

They were blown away by the skills and craftsmanship on display and Sandra even got a spot of last minute Christmas shopping in when she purchased one of our beautiful handmade Christmas logs.

They also stayed for a cup of tea and a chat and said that they were absolutely delighted to have met such a lovely bunch of gentlemen and would certainly be dropping in again!

Brew and Chat Time

Our Shed is most grateful for the generosity and support given to us by Ferrier Pumps.
